

Calling all volunteers and members!

The Preservation Needs Assessment on our library has recommended that the T-shirt collection undergo archival storage as a matter of priority.

Sharon and Debra from Conservatrix have agreed to come and show us how to best store t-shirts to prevent damage.

Come and learn how to make padded coat-hangers and dust covers. At the same time, you'll be helping us to save these significant and historic items.

No previous sewing or needle and thread skills required. It should be an enjoyable experience. If interested in assisting to make the hangers you can take some home at a later date or do some in here.

The Textile Preservation Workshop will be held:
10am to 4pm on Saturday 16 April
Weslund House, Gordon St Acton.

All staff and volunteers are invited. Please bring a plate to share for lunch.

Afterwards you are invited to finish the day with a BBQ at 4.30pm. (Bikes and Bands has been cancelled, but the BBQ is going ahead.) Gold coin donation appreciated to cover food cost.

Please RSVP to Kevin on 02 6257 2855 or email kevin.schamburg@aidsaction.org.au
