A NIGHT IN THE PALMS

PALMERSTON LANE MANUKA 1 DECEMBER 2007 6-8.30PM

Welcome to the 20th annual **World AIDS Day 2007**. World AIDS Day, December 1, is a day when people from around the world come together within a single effort to raise awareness about HIV and to express global solidarity with people living with HIV. But World AIDS Day is not just about raising awareness. It also provides a global opportunity to urge governments and leaders for all promises on AIDS to be kept as well as an opportunity to demonstrate commitment and action on AIDS.

A Night in the Palms at Palmerston Lane is our local event. The lane will be closed off to traffic and opened up to live music, street performance, food, drink and more!

Treats include: **Mest Hair** product samples and GHD curling from 6-7.30pm (free); **jones the grocer** cheese tasting (free); **El Torogaz** tortilla with dips, tamal, non-alcoholic sangria (free); **Plonk** chilli wine and chilli schnaps, \$8 half dozen oysters; **Ginseng** dim sims, spring rolls and chicken wings (free); **Choices Vietnamese** curry puffs, Vietnamese spring rolls, and rice paper rolls (free); **Things of Desire** 50's style models and window displays, open until 7pm for in-house champagne (free); **Kona** coffee shots, \$6 bags of freshly ground coffee; **Zuccherò** small cakes and tarts; **Meccah Bah** Turkish delights (free).
